## Information to Bidders

### TRAFFIC LIGHT SYNCHRONIZATION PROGRAM: SIGNAL INTERCONNECT CABLE (SIC) SEGMENTS PHASE 1

Bid Opening Date: **March 4, 2010**

On October 25, 2005, the City Council adopted a resolution authorizing the Director of Public Works to award construction contracts with base contract amounts that do not exceed \$1,000,000. Provided that this condition is met, it is the intent that this contract be awarded by the Director of Public Works rather than the Council. Doing so will greatly reduce the timeframe associated with the award of this contract.

The bid results will be posted on the web and available for review by the Monday following the bid opening. All bidders will subsequently be notified of the proposed recommendation to award the contract.

Any communications from bidders regarding concerns with the recommended award action must be received by the Director of Public Works within five (5) business days of the bidder's receipt of the notice of proposed award.

Questions related to this matter should be addressed to the project manager, Adolfo Alvarez at (408) 535-8496
